### Migration Strategy

See P580/P882 EOS Notification for details.

### P580/P882 EOS Schedule

End of Sale (EoS) Notification (this notice)	January 24, 2005
End of Sale (EoS) Last order date	February 7, 2005
Minimum Period of Support Availability after EoS	3 Years – Dec 3, 2007

### Supported Releases (of the P580/P882)

Version 5.4.x
Version 6.x.x

### Minimum Period of Support Availability

The Minimum Period of Support availability of three years represents the minimum period of time after the product end of sale date, during which Avaya will make available support for the product per the Avaya Manufacturer Support commitment. [Read the Avaya Manufacturer Support Policy.](#) Support may be extended past that period at the discretion of Avaya Global Services, BusinessPartners or other service providers. For additional information concerning long-term support please contact your Service Provider.

### **Service and Warranty**

Avaya will continue to honor previously executed enhanced warranty, post-warranty and service contracts in accordance with the terms of those agreements. Avaya is not responsible for any support or maintenance commitments made by BusinessPartners or other service providers. Additional information concerning Avaya Global Services can be found on the [Services Offer Information](#) web site.

Avaya Global Services provides the complete set of Avaya maintenance offers on all the Extreme products. With more than 20 years of experience in supporting 30 plus multi-vendor devices, Avaya can provide that "*single point of accountability*" for support of Extreme and other multi-vendor data devices.

For additional information, contact Jane Aldridge, Avaya Data Maintenance services offer manager at +1 (727) 217-1630 or [janealdrige@avaya.com](mailto:janealdrige@avaya.com)
